Professional development

Orientation of new faculty members

1. We must be aware of how to harmonize between the department's vision and the college's vision, which is derived from the university's vision and even the ministry's,

which enables the department to make decisive decisions in building and achieving the set goals.

- The goals set are realistic and achievable, and each individual in this program should objectively achieve these goals.

Professional development for faculty members

- Continuous development courses. •
- Academic rotation according to stages and programs. •

12. Acceptance Criteria

(central, parallel, evening)

13. The most important sources of information about the program

- Books approved by the Sectoral Committee for Administration and Economics .1
- Supporting books and articles with an update rate of 20% .2

14. Program Development Plan

- Preparing teaching staff according to the principle of job rotation to support the department with various specializations to meet the department’s needs and achieve employers’ requirements.
- Conducting solid scientific research that is useful to all stakeholders to serve the labor market from an administrative perspective.
- Trying to focus on preparing young leaders in the field of specialization to support Iraqi organizations with them to serve our beloved Iraq.
- Introducing specialized knowledge in the teaching staff from the young category for the continued development of the teaching staff.
- Focus on providing business administration graduates with skills, knowledge and expertise in the field of specialization, to contribute to building governmental institutions and public and private institutions alike.
- Keeping pace with developments in the environment, especially digital transformations, and providing graduates with the skills necessary to deal with the requirements of the present and future eras.
- Establishing the concept of citizenship among all stakeholders in the department by dealing with them transparently.
